

## CV DAVE SCHRAM - 2018 FEATURE FILM

Dave Schram got involved with filmmaking at a young age. With his friends he made several shorts from 1971 to 1974 with a camera he got as a present on his 11th birthday. As an actor Dave played two seasons in the television series "Orimoo" ('73-'74) and in feature film "Achter De Horizon is nog een land" (Behind The Horizon there is another country - Singapore) ('75). After he graduated in 1981 from the Dutch Filmacademy Amsterdam with his film "Tussen De Regels" (Between The Lines), Dave worked until 1984 in various positions within the movie industry and was involved with a few hundred commercials and around 10 featurefilms. In 1984 he founded camera and light rental company, "Singel Film". In 1986 Dave was production manager for Dick Maas film "Flodder". In 1987 Dave founded, together with Maria Peters and Hans Pos, production company "Shooting Star Filmcompany". They had an international success with "Daens" ('92) directed by Stijn Coninx (nominated for an Oscar: Best foreign Language). They produced "Left Luggage" ('97), directed by Jeroen Krabbé and produced a few very successful youth films like "De Tasjesdief" (The Purse-snatcher), "Kruimeltje" (Little Crumb) and "Pietje Bell" (Peter Bell) directed by Maria Peters. After years of producing Dave got back into directing and directed in 2006 "Timboektoe" (a novel by Carry Slee). After Timboektoe he directed another four Carry Slee films. Dave received in 2012 a Rembrandt Award for "Razend" (Furious) and over 50 international awards for "Spijt" (Regret), including an EFA (European Film Awards). Dave produced the last two success films of his wife Maria Peters: "Sonny Boy" and "De Groeten Van Mike" (Greetings From Mike). And in 2014 he produced "Pijnstillers" (Painkillers) and 2015 "De Boskampis" (Little Gangster) The Last two years he produced "Prooi" (Prey) and "Kappen" (Enough) novel by Carry Slee and is now finishing "De Dirigent" (The Conductor) release Oct. 25<sup>th</sup> 2018.
